MEDIA OPT OUT FORM
REFUSAL TO PHOTOGRAPH, FILM, OR VIDEOTAPE A STUDENT FOR
NON-PROFIT USE
(e.g. educational, public service, or health awareness purposes)

At PS/IS 119, students are involved in many activities and events that they participate in over the course of the school year. We take pictures, videos and interviews at our school events/activities and post them on our website. In addition, we share some of our school’s accomplishments with local newspapers and all other forms of media that may include pictures of our students, staff and the school community. In light of remote learning, teachers may also record live class sessions to be posted so that students who may have missed the session can watch it at a later time.
