Free Arts Intensive for MS and HS Student Artists

Summer Arts Institute (SAI) is a free, virtual, four-week arts program for New York City Department of Education public school students entering grades 8 through 12 in Fall 2021 (students currently in grades 7 through 11). For 2021, this intensive program will be held virtually, Monday-Friday from 9 am-12 pm. Summer Arts Institute is administered by the NYCDOE's Office of Arts and Special Projects.

Students participate in one of the following studios: Dance, Instrumental Music, Moving Image, Strings Orchestra, Theater, Visual Arts or Vocal Music. The program is designed for students at an intermediate or advanced level of study in their discipline. Summer Arts Institute offers a unique opportunity for students to work with DOE arts specialists, arts organizations, and guest artists. This experienced team guides each student in developing an artistic point of view and developing a portfolio or audition skills for their next level of study: an arts-focused high school, college/university, a conservatory or professional work.

The daily schedule will include studio work and experiences with professional artists. In the studios, students develop and improve their technical skills and creative expression in their art form. Time is dedicated to rehearsals, viewing professional performances and online arts galleries and exploring careers.
