

Instructions for setting up your child's nycstudents.net account.

1. Go to the following website: <https://www.schools.nyc.gov/learning/learn-at-home/technical-tools-and-support/doe-student-accounts>
2. Click on the first link on the list, number 1, Your Student ID and Password
3. Click on the Student Account Self Service Link
4. Enter your child's OSIS/ID- 9 digit number and Date of Birth as it is listed with the school office.
5. Your child's account name will appear, click Continue. The email address will be (your child's account name)nycstudents.net
6. Set a password.
7. You are complete.

Instructions for accessing and entering your child's google classrooms.

1. Go to classroom.google.com (make sure NO other accounts are being used)
2. Sign in using the nycstudents.net account and password as created above.
3. On the top right you will see a "+" sign. Click that and join a class. Classroom codes will be provided.
4. If you are new to 119, your child's teachers will send information like the google classroom codes and Jupiter information via your child's email address.
5. If your child is already a student at 119, they can use Jupiter.
6. Do this for each individual class your child has.
